

PROVINCIAL FUNDING

Athletics, Costs, School Responsibility, Etc. Policy

It is difficult to establish a policy on funding Provincial Championships due to the varying costs of each of these events (e.g. long travel, several days at a hotel, etc.)

In principle, but with the ability to change in extraordinary circumstances, we will abide by the following:

1. The school flex funds will cover TOC costs for one coach.
2. The school flex funds will cover tournament entry fees
3. Pop machine revenue will pay for fuel for the minibus or cars.
4. PAC casino funds may be accessed for hotel costs.
5. Fundraising of a reasonable proportion must occur unless parents agree otherwise.
6. Student costs should include all food costs and any costs related to tournament purchases (banquets, T-shirts, etc.) even if these are required costs.
7. Parents will not be included in the budget unless vehicle use is required for transport of students.
