

LATES POLICY

Principles:

- Students entering the classroom late create a disruption
- The school supports an atmosphere of courtesy and respect

Process:

- Students are expected to be in class before the class is scheduled to begin (at the second bell)
- Students who arrive late to school or who arrive late to classes through the day must report to the main office to get a late slip
- Students who are repeatedly tardy can expect a variety of consequences that are designed to encourage prompt arrivals
