

## TOBACCO POLICY

### Principles:

- Tobacco smoking is potentially damaging to the health of the user and of those who are exposed to second hand smoke.
- The school has a responsibility to promote the health of students.
- Activities which threaten the health of students should be strongly discouraged.

### Process:

- Students are not permitted to smoke or to display tobacco products or smoking paraphernalia on school property.
- Students are not permitted to leave the property between classes to smoke.
- Students found smoking between classes must meet with administration and parents may be notified.
- CRD bylaws/fines may be enforced.
- Students may be suspended if repeated offences occur.
